Prof. D. Karl Barth,

B o n n .

Dear Professor,

I enclose the cuttings of reviews of "The Christian Life" that I have received to date. They are, for the most part, rather unintelligent, and do not show much appreciation of the problem.

As only one set of cuttings has been sent to me, I shall be grateful if you will return to me any that you do not want to keep.

With kindest regards,

I am,

Yours very sincerely,

J. Shattock McNab.

P.S. My address after next week will be :-
St Leonards Manse,
AYR.
