Dear Prof. Barth:-

While in London recently, I arranged for the American rights for THE RESURRECTION OF THE DEAD through Hodder & Stoughton. We are very glad indeed to have this book on our list. It has occurred to us that you may have some suggestion regarding the promotion of the book here in the United States, and I hope that you will send us any such suggestions, together with a list of any of your special friends on this side of the water, who would be interested in our publication of the book.

Please also send us your photograph and any data, which you feel will be of help to us in announcing and promoting your book.

A copy of this letter is being sent to my friend Leonard Cutts of Hodder & Stoughton and I am forwarding to you a copy of our complete catalogue, together with announcements of our new publications, all of which I am sure will be of interest to you. For 64 years this Company has published religious books, and I am sure that you are familiar with our imprint.

My Cousin, Fleming H. Revell Jr., joins in sending best wishes to you.

Yours very sincerely,

FLEMING H. REVELL COMPANY
