My dear Doctor Keller

On behalf of the Ministers of the Methodist Synod. Newcastle-upon-Tyne District, may I ask you kindly to pass on the enclosed resolution to the Synods of the Protestant Evang. Churches, including the Methodists, in Germany. Our sympathy goes out to the persecuted Roman Catholics also, but such a resolution might not be recognised by them.

May I thank you most warmly for the Broadcast Address which you gave last Sunday and for the sermon you preached in St Giles Cathedral, Edinburgh, last July. I heard both, and you made a deep impression on me.

If ever you can come to this City, we shall give you a truly cordial & brotherly welcome.

With all good wishes for your great work,

Yours very sincerely
A Brockbank

The Reverend
Adolf Keller D.D.
