

REV. J. STRATHEARN McNAB, M.A.

ST LEONARD'S MANSE

AYR

10th Sept. 1937.

Dear Professor Barth,

When I told Herr Putsch on my visit to him lately how little detailed information we got in this country about the German Church conflict, he recommended that I should get into touch with the Leiter des evangelischen Pressedienstes der Schweiz with a view to getting information for dissemination here, and he said that if I wrote to you, you would be pleased to give me his name and address. He has, it appears, access to abundant information.

With all good wishes,

I am,

Yours sincerely,

*J. Strathearn McNab.*
