Dear Dr. Barth:

Dear Dr. Barth:

I am posting you an issue
of "New life" which contains two very
articles. A poor authority on the
German Church situation, I had to write
to counteract, if possible, some statements
made by a Col. F. J. Hales of the Russian
Missionary Society. He contrasted the
freedom allowed the Baptists in Germany,
with that permitted to the Confessionals
who "were meddling with politics."

Thanks for "Church and State"
→ "Justification and Justice" - which I
purchased last week - just out. It is
proper exegesis!

With gratitude and all good
wishes - yours in grace
