WHAT BOOK Collection of 18 sermons, most of them originally preached to the inmates
IS ABOUT: of the prison at Basel, Switzerland.

- A. Evangelical, inspirational.
- B. Very good writing, simple, direct.
- C. Wonderful prayers before and after each sermon.
- D. Biblical preaching at its best.

1. Sermon on "The Criminals With Him" seems to ignore importance of human decision for the Gospel, p. 75 f., but concludes with correct emphasis.
2. Several sermons that preceded communion seem to imply indiscriminate invitation to Lord's Supper.

MAKEUP: Good.

FOR: Anyone who reads sermons, ministers. S.S. libraries.

This book is better than 99% of the sermons I've read.
