Godson Meets Godfather

Godson meets godfather "in the new world instead of the old." Peter Barth, 12, son of Dr. Markus Barth, new Bible professor at the University of Dubuque, converses with Dr. N. W. Porteous, professor of Hebrew and Semitic language at the University of Edinburgh, in Scotland. This is Dr. Porteous' first visit to this country and the first time he has seen his godson, who was born in Switzerland during the war. Dr. Porteous studied under Dr. Barth's father in Germany, and Dr. Barth was a student of Porteous at Edinburgh. (Telegraph-Herald Photo)
