*How I Changed My Mind. By Karl Barth. John
Knox Press, 1966. 96 pp. \$3.00.*

John Godsey, of Drew University, has gathered together the three *Christian Century* articles entitled "How My Mind Has Changed" (1938, 1948, 1958), by Karl Barth, and supplemented this collection with a brief account of Barth's life prior to 1928 and his life since 1958. Eleven pictures are included. This is a highly interesting and readable account of one of the great theologians of the century.
