Honder Yagu! On Friday for ourself Brantay
gave us two weasel the Angoff Bluer get another
trap of same so Bobstoye get one Kinsley
left us old film tape. Also we full on our machine
tromme, of fire big job to go uppage, made with
the machine 1^{1/2} day. The Boron powder bottle
we full of the stuff off from Zefnayt go, the art
angof the Röden, Röden and Graham main ship in Brantay
Arryl. An interesting look of the Röden in greater detail
in 16 Jahre, the big iron flatbottomed barrels and
Angof the day in may Orenz for gunpowder
use in off side parts Gordon was there. The first
gunpowder of the and the other in Almeybergmeyer
Hole, called our golden gift. You have with the
use to fire? an Artay about in of our Prof. Master arge-
