Dear Dr Barth.

I write to express my appreciation
and the great help and inspiration which I have
received from your books.

I have found your Kommentar on the Epistle to the
Romans of great use to me in my work
here as pastor - also the volume of sermons
"Komm Schöpfer Geist" by Thurneysen and yourself

These sermons are about the finest and most
searching I have ever read. I have tried my

best to get a copy of the other volume of
sermons "Suchet Gott, so werdet ihr leben" which
was published in 1923 - but I have failed.

The publishers at München say it is vergriffen.

I have further tried to get a second hand copy of this particular volume 'Suchet-gott or' but here also I have failed. So as an ardent reader of your books I thought I would write and ask you, if you could possibly get a copy of this volume for me and I will send you ^a cheque for the same. It would give me great joy if by some method you could secure this particular volume for me. Having enjoyed the reading of your other books so much, & profited greatly in studying them, I would esteem it a great favour if you could get me a copy of 'Suchet-gott' from somewhere. I have been ^{thinking} writing some articles to some Welsh periodicals on your important contribution to Biblical Theology & nothing would give me greater joy than to have the privilege of reading the above mentioned volume of sermons which I ^{have} failed in all places to get.

Thanking you for your kindness, and awaiting your favours. I am yours faithfully. J. Vernon Lewis
