Dear Sir,

I am sending you to-day the translation of "Vom christlichen Leben" in typescript (duplicate). I hope that it meets with your approval.

There is one word that has given me difficulty. Querschnitt I know, but querschnittmässig in its present context (page 28, line 7) I find it hard to interpret. Meantime I have therefore omitted it altogether.

I have not made any arrangements with an English publisher, but I shall do so as soon as I hear from you, (if you are agreeable to publication). I wrote your publisher, Chr. Kaiser, a few days ago, and await a reply from him.

I am, Yours sincerely,

J. Strathearn McNab.

(REV. J. STRATHEARN McNAB, M.A.)

P.S. I take the liberty of enclosing a cutting from the "Glasgow Herald" of 8th Sept; I think it will interest you. Dr. White is at the moment our greatest and most influential Churchman. Thrs.
