Dear Sir,

Very many thanks for giving me permission
to publish the translation of "Van christlichen
Leben" and for the kind words with which
you expressed approval of it.

The Student Christian Movement Press
is going to publish it.

I wonder if you would be so good as to
give me guidance with a phrase in the book
over which I hesitated and which I fear
I have translated wrongly. It is: -

im Einzelnen - p. 27 l. 19
and p. 38 l. 38

Does it mean "in particular" "in detail" or (as I
have taken it, paying regard to the Capital E) "in the
individual" "in the case of the individual"? If my
translation is correct, do not trouble to reply.

Yours very sincerely, J. Strathearn McNab.
