Dear Professor.

I am an aged - now retired Minister
of the Gospel, in my 78th year. I have been much
interested in all I have been able to read about
you & your teaching, limited also by my
inability to read German - and I have been
blessing God for His goodness in revealing Him-
self in you.

With your own name I am in hearty
sympathy, but will you allow me to say
that I find a serious lack in your teaching
concerning the Person & Work of the Holy Spirit.

I desire to draw your attention to some
of the remarkable works of the late Dr. Andrew
Murray, whose outlook was ever along the
lines of your teaching, but who was ~~was~~ blessed
with a power of wide vision in the things of
God possessed by few.

If you would desire to know something

of his teaching in outline I shall be glad to have a copy of his life sent to you. In the second part there is a very able sketch given by my friend Rev. Walter Searle, who also was a friend of Andrew Murray, & an exact impersonation of his works.

Send one for the library I am taking, but as I was praying for you & your work and testimony I was moved to write thus.

I am,

With deep thankfulness to Almighty God,

Yours in the Ministry of the Gospel
William M. Douglas.
