In the revised proof of the ~~Text~~  
Prolegomena zur Dogmatik,  
page 81, line 3, the first word is  
"künftigen", and I feel sure you  
mean "gegenwärtigen". ??

One cannot criticise and revise  
past and future preaching  
or proclamation? If I am  
right you might be in time to  
have this erratum corrected.

How I do enjoy some of your  
exclamatory (=!) criticisms!

Yours are  
G. Thomson
