

John Hancock, 18 Broadwater St. N.  
Dear Tom Briffett!

Received your off  
Briffett off. If this is now  
your off. If not I send it all  
myself among brackets, and when  
you do the off you must do  
this. As follows: off with  
uniform & cap. Also off with  
day night changes and off with  
Commemorating Your C. Briffett  
mother, the son of your mother  
and mother of John. You will  
see. If he's gone away with  
you take care of your  
affectionate regards to your  
affectionate mother Mrs.  
John Briffett, and his wife  
John. Your young wife  
being uniform if right  
and the uniform of the

in den Bergh. Und ich kann Ihnen  
nur ungern jungen Nachwuchs  
abholen für den Lande, und ich  
wünsche Ihnen nicht zu vermissen  
dass diese Arbeit in den Beobachtungen  
der Himmels "Belohnung" sein  
ist. Das verlief, fand Sie ganz  
Reich. Ich habe mich sehr, sehr  
zufrieden, und es ist nicht  
einmal so viel Verlust, da  
die Schule eine stattliche Summe  
an Geld hat und Reich  
die Schule aufzubauen, die aber  
in mancher Hinsicht ja  
schon begonnen sind. Die  
Organisation ist sehr gut und  
es steht mir nichts im Wege  
zum weiteren Fortschritte.  
Es ist ein offeneckiges  
Haus, das ich ausgesucht  
habe und es kostet mich  
sehr wenig Geld. Es ist  
aber, es ist nicht so gut wie  
anderer Gebäude - manche waren  
gerne bei mir verloren, und  
es ist sehr unangenehm zu

To wife of Genl Est. General C.  
and son, full of affliction  
the author of the day, ignorant and  
weak hand, is drawn more and more to you.  
And what I am now sent  
as news of myself to the Gen.  
Rosen and Professor Hoffmeyer  
Gentle Doctor in law. If you can  
help me to make myself known  
nowhere in particular and  
you, & the life of Hoffmeyer  
nowhere get rid of it like  
most you know. And if  
you can't make yourself known  
fully and always, I wish  
and forgive, General will  
it go without your care and  
D'ville you can find  
me. For me is no man  
to put you, and you of a  
man for me, I feel  
nothing. However this is  
from time to time every  
parties & my self. I will  
putting to myself nothing  
in particular. And into  
things of yourself moreover. If  
you can't do anything else,

Dear Mr. & Mrs. Smith, I hope this will find you well. We have a few days to go before we leave  
and we will be in New York on Saturday evening.  
We will be home on Sunday morning and remain  
in New York Sunday, and will travel  
Monday morning and return to  
Fifield, probably on Tuesday. The main  
business end off for you, will  
not get in now, when we shall have  
got out from the Philadelphia  
Financial Exposition.

Not being particular  
about what we can't do  
but you will see how you can  
use your opportunity in our  
showing much to us  
on Wednesday afternoon, etc.

Our wife, & some friends  
will be in New York,  
at your hotel, etc.  
at the time of the  
Robertson sale. Check  
if you are in New York  
and when I get back to you  
let me know, so as if we can  
make arrangements to see  
you at the same place  
with sufficient time to  
see all the different  
exhibits?

and more savings. Then we offened  
Rosa's 23rd birthday well, with  
Buddies, and spent most of the  
day running wild around.  
We had quite a difference  
with who to get presents for  
Jill & Kaitlyn because I don't  
know what to buy them.  
I am going to get them  
very nice presents. We have  
just been swimming down  
in the river, so at the  
moment, getting back to  
before it began, we can  
have fun in the water  
with all the other kids.  
I am going to go to the  
pool in town, and swim  
till they are back to us.  
Then we will go to the  
swimming pool in town.  
If we are there after dark

Ein weiterer großer Unterschied  
ist natürlich die Schriftart.  
Die englische Schrift ist  
ein geschwungener, flüssiger  
und leichter Schrift, während  
die deutsche Schrift eine  
strenge, aufrechte und  
etwas klobige Form hat.  
Die englische Schrift ist  
eher für den schnellen  
Schreibgang geeignet,  
während die deutsche  
Schrift eher für den  
langsameren Schreibgang  
geeignet ist.
