PITTARD FRÈRES

Professor Doctor Karl Barth
Bergli
Oberrieden
Canton Zürich
Suisse

My dear Professor Barth:

I have been very anxious to have an interview with you on the subject of Theology. My colleague Professor John Baillie, of Union Theological Seminary, New York, has told me of several interviews with you which he found most stimulating. Doctor Adolph Keller has told me that you are near Zürich, and he very kindly telephoned you in my behalf. He has told me that you can receive me

Sunday forenoon. Accordingly Mrs. Lyman and I are going to Zürich Saturday where we shall stay at the Hotel Victoria. Then I will come out to see you Sunday morning (April 2), leaving Zürich at 9.34 and arriving at Oberrieden at 10.00 A.M. It is very kind of you to propose meeting me at the railway station.

Dr. Keller sends you his cordial greetings.

With much appreciation of your courtesy I am,

Yours very sincerely,

Engene W. Lyman

Professor of the Philosophy
of Religion in Union
Theological Seminary.
