Dear Professor Barth:

I enclose a note from
my friend, John Mac Kay. I regret that
I do not plan to spend any time at
home, at least this autumn or winter,
but I should greatly appreciate the
privilege of a visit with you and
perhaps a visit to one of your
seminars. I shall be at Maria
Hoach for another ten days and
could readily come down for

KBA 9333.820

a day or two next week if you
could suggest a convenient
time.

Yours sincerely,

Douglas V. Steere
