My dear Prof Barth

You will be in-
terested to know that
I have decided to
write a book, to be
issued at once, on "The
New Church & the New

Germany: A Study of Church
& State."

I hope that my understanding
& arrangement with the Chancellor will be
carried out & that the protesting group
will set their case before him, in the
interest of fairness.

It was a great pleasure
to hear you & to meet you.
Please do not forget to send
me your statement on "The Freedom of the
Church." I should also appreciate it if
you will send me your photograph,
inscribed & autographed on the face of it.

If you have any further in-

formation before I leave,
I have sent it on to me.

I shall be here until
Nov 16. Then I shall be at
Maison Protestante 47 Rue de
Clichy, Paris the 16, 17, 18, sailing
on the Europa the 19th.

With cordial,
good wishes

Yours

Charles S. Maifland
