SAXON BARNs,

43, GRANGE ROAD,

CAMBRIDGE.

8-1-34

My dear Professor,

Thank you very much indeed for the two pamphlets which I received a few days ago. I was glad to receive them and have ordered their companions.

We watch the situation in Germany with great interest.

Yours sincerely

Edwyn C. Stooly

Frank Buchman is very very much of an American and has no connexion with England, still less with Oxford.
