Dear Dr. Barth,

I have pleasure in sending you, under separate cover, a copy of Dr. Keller's new book which we have just produced within one month of the receipt of the Manuscript. As far as I know, it is the only book in English which gives the spiritual problem underlying the German Church Revolution, and I believe it will be a very useful volume for those who read English on the Continent as well as for the reading public in Great Britain.

With all prayerful good wishes,

Yours very truly,

R. Mercer Wilson
