Dear Professor Barth,

My wife and I are
leaving for our holiday this week. We
cross from Dover to Ostend on Wednesday
night and expect to arrive in Bonn
on Thursday probably in the early evening.
As there is a good deal to see in Bonn
we propose staying till Saturday
morning. If there is any special time that
will suit you better than another for us
to call the address "Postlagernd, Bonn" will
find me. I think we'll be staying at
the christliche Hofpiz which I know is
convenient for the station.

I am greatly looking forward to seeing
you again. My best thanks for your recent
card. With kindest regards from your wife
and yourself, yours very sincerely,
Norman W. Porteus.
