Wupperfeld-Barmen, den
August 1935

21. I. 35.

Liebe Frau Professor!

Auf mein ganz herzlichstes von Ihnen

v. Kirchbäum untersagt ist, auf Sie von der Tageszeitung
der Börsen-Krämer und Begräbermeister mit
Küppel waren - Journal dat. 16. Mai 1935 berichtet,
dass man Sie tat, die Öffentlichkeit nicht vom
Bankett zu nehmen, was der Krämer Sie auf
vorigem Jahr, Schriftung gab der Wohnungspartei
Weil singulär.

Am zweiten Tage oft unverwandt
der Meinung, ob ich es zu empfehlen sehe.
No allmählich war es etwas vorwärts, als
die Frage über Tatsache absehbar ist der Problem
mein zweiter Fakultät verhindern mich - Ich

in first spring, by the way finding
the virginia, in blossom when you
wrote.

Also your letter, up the river,
was differing on the Parrotia question,
with the Malibranchea, now mis to you
as Parrotia, up near the Tay ~~is~~ is leaffish
rather than opposite, & no leaffish
Melaleuca up the Champlain front part
the river. Brown & the Opposite John
wrote, up near Champlain front of the Champlain.
But as the river was not, so he is confusing
up the river from the Champlain the leaffish
up the river from the Champlain the leaffish.

To you my friend of course, just
to let you the Tay is far far west beyond us.
Wallace wrote to me leaffish as you have
wrote over & the river runs from Champlain,

at roll me off sink the V in pull me
at roll me by now you ~~stop~~ Riffa river.

If fish was as i thought then
as the purring & not all in heat, the next
the dark blackish skin as white, up the fish no more
purring it like that was, he upon found
is find with the skin is the fragilines in
what fish. & upright not wear a re-
turn friend you break him, unless you give
think against fish.

Now the hand if many as main
last night for i go make, up this night
the gill eyes, small finger today big today
if you make 'em up off the V in water
night.

This was puppy hand - up the eye
to robbery.

If night the fish full of no is
as yes, up is called working - main
trout part, the road, up --- most parts as
leaving - his, the will get any Nutritious like

the Marshall St. W. side. While it is now
mainly manufacturing, lumbering & sawmills
are few, the lumber being hauled into
Vancouver by rail.

By boat up the Fraser River ship
Passenger & cargo steamer flying the flag.
First boat at the pier - Victoria.
Gillies & Son, importers from Vancouver
have a large sail, their business
being fish in salmon, salmon, salmon,

In fact everything - salmon.
