Dear Professor Barth Aug 15/12

Thank you for
your card. I can give the whole
of Saturday Aug. 29 to Zürich.
It is all a matter of fitting in
times with Professor Huber. It will
probably be easier for you to
arrange with him direct rather
than that I should correspond
with you both, which is a much

Slow procedure. I asked him to
get into touch with Jim. I shall
fall in with whatever you
decide.

I have important matters
which I want to discuss with Jim.
I am delighted and thankful
that we can meet.

Yours very sincerely

J. H. Stacey
