Dear Professor Barth:

D. Oldham has asked me
to send you a note on his behalf.
to say how very much he is
looking forward to visiting you
on Saturday next Aug. 29. at
Oberlin. He shall follow
the instructions given him
by Mr. Huber & hope he may

be with you about 10⁰⁰ in the
morning -

Dr. McLean would have
talked to you himself but he
is in the throes of this Conference
today.

He sends you his kind
feelings & adds how glad he
will be to see you on Saturday

Yours sincerely
