Dear Sir,

With reference to your appointment as Gifford Lecturer at this University for the period 1936-1938, I have to inform you that the opinion has been expressed, provided that it meets your convenience, that Part One of the lectures should be given by you in 1937, viz. five lectures during the Spring Term which meets from 12th January, 1937, to 19th March, 1937, and five lectures during the Summer Term which meets from 20th April, 1937, to 25th June, 1937. Part Two of the lectures would fall to be given during Session 1937-38. I shall, however, be glad to hear from you with reference to the dates of the lectures to be given by you in 1937.

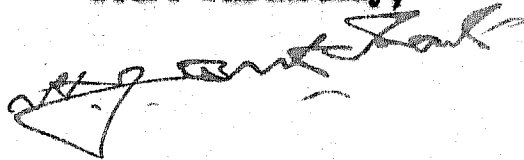

It is customary to issue a Syllabus of the Lectures,
and/
