Herrn Prof. Dr. Karl Barth,
St. Albanring 186,
Basel,
Switzerland.

Honoured Herr Professor,

We notice with interest the intimation
in the Press of your forthcoming Gifford Lectures
which are to be delivered at Aberdeen in March 1937.

If you have not already made arrangements
for their publication in book form, we write to say
that we shall be glad to place our services at your
disposal.

From time to time it has been our privilege
to act as publishers for the Gifford Lecturers.

As you are probably aware, we have the sole
British rights for the publication in this country of
four of your previous works, including the translation
of your "Dogmatik", and we should be glad to have the
opportunity of adding your latest work to our list.

We are,
Yours faithfully,

T. & T. Clark
