Professor Karl Barth,
Basle,
St. Albanring 186.

Dear Professor Barth,

I send you my grateful thanks for the answers to our questions on the subject of the Christian ~~Life~~ ^{Life} and the Common Life which you were good enough to send. I appreciate very much your remembrance of us. I must content myself with this brief and belated acknowledgement. For the last fortnight I have been working against time to complete the preparatory material for the Conference and have to leave tomorrow for a holiday which I have to take by the doctor's orders.

I hope that one of my colleagues from Geneva will be able sometime before long to be in Basle and that he may have an opportunity of a further talk with you.

With warm greetings,

I am,

Yours very sincerely,
