Dear Dr. Barth,

I have given a letter of introduction to you to Dr. Irene Marinoff. She may present it sometime in September. Meanwhile I am sending you these particulars about her. She is a very fine student who has earned the respect of all who have come into contact with her in this country and you will, I think, be very interested in the kind of work she is doing. I should be grateful for any help you can give her.

Yours very sincerely,

Albert Peel
