4th October, 1937.

Dear Contributor,

REVELATION

I have now received from Messrs. Faber & Faber a statement of the sales of REVELATION for the period ending June 30th. They have sold 378 copies, and a total royalty is available for distribution of £11:0:5.

You will remember our arrangement that the proceeds should be divided into eight shares - one for each of the authors and one to be divided between the editors. Each author will thus receive the sum of £1:7:6 and I have pleasure in enclosing a cheque for that amount. The odd 5d. I am keeping as a contribution towards my postage expenses.

This is, of course, only the first statement and I hope that it will be my duty to send you further sums at a later date.

With kind regards,
 Yours sincerely,

Hugh Martin
