February 17, 1937.

Dr. Karl Barth  
Basel, Switzerland

My dear Dr. Barth:

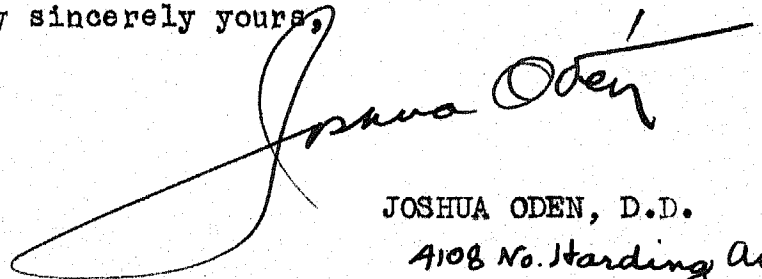

So many of us have read of you and your great stand for Christianity, that we are desirous of meeting you.

Will it be possible for you to address a group of Lutheran Christian pastors and teachers who will come to Lucerne on July 5, 1937? We are spending only one day at Lucerne, but we would like to have a couple of hours with you, say from 8:30 to 10:30 A.M.

We will, of course, want to reimburse you for your time and trouble.

Let me assure you my very best wishes.

Very sincerely yours,

JO:MB
