

THE DEANERY  
CHICHESTER

November 27, 1939

Dear Dr. Barth,

I ought to have written before to thank you for the very interesting articles which you published in the "Christian Century". I hope they will help to clear up the mind of a good many muddle-headed Americans. I feel more and more that what we have to maintain and stand for is resistance to the spirit of menace and aggression which makes powerful nations threaten weak ones. That seems to me to be the fundamental injustice and wickedness, whether it is Russia in Finland or Germany in so many places.

With kind regards

Yours very sincerely

A. S. Duncan-Jones

I wonder if you have any information about the Church in Germany. I can discover hardly anything.
